NOTICE

ATTENTION ROOFING CONTRACTORS SATURDAY INSPECTION SERVICE NOW AVAILABLE

In order to meet the high demand for Roofing inspections, effective Saturday March 31st, 2018 the Department will begin offering Saturday Roofing inspections. In order to request a Saturday inspection you will need to contact the Department no later than 4:00 p.m. the Friday before the Saturday inspection is required. The telephone number to call for the Saturday inspection is 786-315-2100. Please let the agent who takes your call know you are requesting an inspection for Saturday.

Please note that Saturday inspections can **ONLY** be requested at the telephone number provided above. You cannot utilize the internet or voice response system to schedule a Saturday inspection.

Inspectors will be in the field performing inspection on Saturday starting at 7:30 a.m. Please ensure that someone is available at your site after that time. Additionally, all required documents must be on the site for the inspection to be performed including but not limited to the permit card, job set of plans and an Occupational Safety and Health Administration (OSHA) approved ladder.

Thank you.
